

## **Instructions to Authors:**

### **Oral Presentations:**

Each oral presentation should last 15 minutes and 5 minutes for discussion. We offer computerized projection facilities for oral presentations: LCD projector, computer with audio sound, microphones and screen. Presenters are required to have a Power Point presentation (ver. 97 – 2003) or PDF one. The notebook will be available to load your presentation 15 minutes before the every Oral Session.

### **Poster Presentations**

Each horizontal poster board measures 110 cm(height) x 90 cm(width). Poster presenters are expected to arrange their material 20 minutes before the session starts. Pins will be provided in the poster area. Please use the same title as you have used in your abstract.
